ORDER

20-CV-2463 (ALC)(KNF)

KEVIN NATHANIEL FOX  
UNITED STATES MAGISTRATE JUDGE

The Court has reviewed the parties' proposed protective order, Docket Entry No.40. Based on that review, the parties are directed to revise paragraph 14 of their proposed protective order so that the text requires a designating party to make an application to the Court to file under seal materials designated confidential, when a designating party makes filings with the court. The sentence in paragraph 14 beginning "To the extent that the Court requires any further act..." is to be deleted from the document; it is vague and ambiguous.
